Sales and Broker License Testing Information

ELIGIBILITY FOR TESTING

All sales associate and broker candidates must have initiated the FBI Criminal Background report process **before** making a test reservation. For more information on the FBI report process, click on "Criminal Background Check" in the Applicant Information Section of the website, www.krec.ky.gov.

All sales associate and broker candidates must have completed all of the required education hours **before** making a test reservation. All broker candidates must meet additional educational hours, which includes a 48-hour broker management course, and documented work experience. **If you undergo testing before meeting eligibility standards, your test scores will be voided.**

If you have questions regarding testing, the criminal background check, or eligibility to take the sales associate or broker examination, please contact the KREC'S Licensing Department at 502-429-7250 or 888-373-3300.
